

## **Business and Donor Team**

### Sponsors/Donors

- Divide the past donor list that SPCO will provide to you among each of your team members to contact for pledges
- Make a list of other possible business sponsors and/or donors to contact
- Find sponsors for water and snacks at our half way location on the walk, and for food and drinks for the after walk BBQ (work with the after walk BBQ team to see what the menu is to know what to solicit for)
- Contact Joe's Parkway to see if they will allow us to use their parking lot as we have for a number of years for our half way spot to set up table with drinks and snacks and allow a port-a-potty.
- Find a donor to set up and take down the port-a-potty
- Find business sponsors who would like to promote their business with giveaways such as water bottles, caps, pens, sample products, etc.
- Notify SPCO of businesses whose names and logos qualify to go on banner and have business send you their logo in JPEG format for SPCO.
