

Summer Activities Team

Prior to Children's Arrival

- Look at ages of Summer of Hope Children and consult with host families regarding activities the children would enjoy during their stay
- Arrange for weekday activities for children such as swim lessons, Taekwondo, children's museum, etc.
- Contact local recreation programs to see if they will provide special sessions for the summer program children
- Work to get scholarships or waived/reduced fees for activities
- Create a calendar of activities and makes the calendar available to host families, escorts and volunteers

During Children's Stay

- Send daily and weekly reminders to host families and volunteers with details of upcoming activities
- Arrange for car pooling of children to activities and adequate adult supervision
- Coordinate with Translator Team to ensure that translators will be in attendance at the various activities
