

# HIKE FOR HOPE

2019

**Thanks** for helping bring orphans, ages 7-15, from the Philippines to Bozeman and Whitefish, MT for the month of July/August. Please pray that the children will have a great time and that there will be families who become interested in adopting them.

The money you collect in this envelope will help to cover the cost of travel in bringing the children and escorts, medical insurance, summer activities and other expenses associated with carrying out the summer program. Any excess funds raised will be put into an Adoption Assistance Fund to help families who decide to pursue adoption of these children.

**HOSTING FAMILY GOAL: \$1500**  
**SUPPORT TEAM GOAL: \$250**

**TOTAL FUNDRAISING GOAL FOR BRINGING 5 CHILDREN: \$15,000!**

You and your team/family will join us in a group effort of hiking for hope!

If you have friends or family that want to sign up and hike with you or do their own hike in support of your team, please have them register. Each team that wants to register as a SUPPORT TEAM will have a goal of fundraising at least \$250.

Choose any hike that suites your family and the physical ability of each hiker.

Hike on any Saturday in June.

ON THE DAY OF THE HIKE: Gather your team or your family and please take a photo while hiking. It can be a selfie or a group shot! Feel free to dress up and make it fun.

Would you please sponsor me in the **Hike for Hope** and give these children HOPE for their future? All contributions are tax deductible, and a receipt will be mailed to you."*
